Customer Reviews

Written in an understandable format. Questions included and these questions are presented in many styles and varieties.

Very short book, but the resorces are worth the few bucks I paid for this Kindle book.

This was a gift for my partner (we’re EMTS) she loved it, she said it was super easy to understand

and great to use.

The book is very concise and well organized, good study tool when being first introduced to medical terminology!

The best so farÃ Â Â‘Â•

Good book. Great price.

Very very VERY basic. It’s sort of like a long introduction to a medical terminology book.

This is incredible! Easy to read , break down is awesome than any other format I seen .as a nursing student I recommend it
