"[1canoe2's] homey, hand-illustrated look quickly distinguished itself from the pack..."

1canoe2 is the stuff dreams are made ofÃ¢â ¬â •Carrie Shryock and Beth Snyder are childhood friends who have always loved to make art. Now theyÃ¢â ¬â„¢re blessed to work and dream together in their little red barn on CarrieÃ¢â ¬â„¢s familyÃ¢â ¬â„¢s farm. Whether itÃ¢â ¬â„¢s a handwritten note or a poster of a night sky glittering with stars, everything they make in their barn studio stems from a deep appreciation of lifeÃ¢â ¬â„¢s natural beauty.

I have to have a calendar by my desk which just happens to be in our bedroom, and my husband hates the look of a big wall calendar. I needed to find something that I could write on (eg. Appointments, birthdays, bill due dates) but that could sit on top of my desk as well. This was

perfect. I checked out plenty of websites and was unable to find a desk calendar with room to write in. To be honest, I picked this for the functionality more than the prints. But if you want to just view the calendar days, you don't see the drawn flowers on the opposite side. Will buy for 2017 too.

This is a great calendar! The easel style is hard to find, but I am very happy with the quality and design of this one. The months take up the whole side (no extra pictures), making it roomy for writing things on the calendar and easy to read. The other side has really nice flower pictures for those walking by the desk to see. I have had no problems with the calendar staying up and am glad I purchased this item.

This is very nice and not too large to be annoying.

Beautiful illustrations. A bit bigger than I anticipated, otherwise it's fantastic!
