Such a beautiful Bible. There are several full page illustrations, as well as in the margins. Some of the illustrations have very small pieces to them. I would think colored pencils would be best for coloring in this Bible.

I love the Bible! I wish there were more real images instead of text to color though. Also, wish the images weren't so tiny, detail wise.

A wonderful book that I highly recommend to anyone wanting to learn more about the Bible with beauty also!!

Received today and was very disappointed. The print is way too small and some of the verses auto,color are so,pale they are almost invisible on the page as are the lines for journaling. The Inspire is much better and the pics better

This is was a gift for my granddaughter and she LOVES it!

I bought my daughter and I each one of these Bibles. We enjoy reading the Word and then coloring the lovely pictures in the margins. Beautiful Bible.

This is a beautiful bible inside & out. I just wish the text wasn't so small, as its kind of difficult to read . Other than that love its

Great way to get my 11 year old interested in the Bible. I often find her in her room coloring the verses.
