This book provides you with complete guidelines about how to survive in the tough and life-threatening situations that you can encounter during your stay in the wilderness. The general concept about surviving in the wilderness is that itÃ¢â ¬â„¢s nearly impossible. But in fact itÃ¢â ¬â„¢s not. All you need to do is to gain a complete understanding of the wilderness survival skills that are necessary. This book will provide you a detailed guidance in very simple language about the skills that will keep you alive in the wilderness.This book is not about the survival in any particular environment but it will help you understand about the survival skills in almost every type of environment and scenario. During your read through this book, you will learn about the necessary preparations that you will need to make in order to survive in the wilderness. You will also learn about feeding yourself, and protecting yourself against the unforeseen dangers of the nature while dwelling in the wilderness. The following chapters are going to equip you with all twenty necessary skills to survive in the wilderness: Chapter 01: Understanding basic survival skills: How to plan for survival in the wilderness? Chapter 02: Skills for seeking shelter in the wilderness Chapter 03: Skills for finding basic necessities Chapter 04: Skills for recognizing the dangers Chapter 05: Skills for surviving in different situations Download your E book "Survival Guide: 20 Survival Skills You Should Have In Order To Survive In The Wilderness" by scrolling up and clicking "Buy Now with 1-Click" button!
