F.R. Walker's Remodeling Reference Book: A Guide For Accurate Remodeling Cost Estimates For Construction Professionals And Homeowners

Synopsis

A comprehensive guide to estimating remodeling jobs from the construction industry's leading publisher since 1915. Approaches remodeling estimates step by step-- figuring the labor costs to remove old installations; figuring the amount of material needed for new installations; and estimating the labor costs to complete such installations. With quick reference cost tables, this book is a must for everyone involved in remodeling; and it's useful for homeowners who intend to oversee projects on their residences. It contains 17 chapters covering interior and exterior residential remodeling.

You get detailed information on: Kitchens; Baths; Room Conversions; Decks and Porches; Stairways and Flooring; Interior and Exterior Painting; Electrical; Roofing and Siding; Windows and Doors and more.

Customer Reviews

worth the money

I AM A HOME REPAIR "HANDYMAN PROFESSIONAL" AND THIS BOOK IS AN EXCELLENT REFERENCE FOR DETERMINING MAN HOURS NEEDED FOR VARIOUS REPAIR WORK.

This book is very helpful to anyone remodeling and reroofing. The absolute cost data is dated and thus need to be revised in practice but his ratios and productivity figures are excellent.

Purchased as a gift - although I was a little disappointed by the size of the book! Very costly for the

amount of information within its contents.

It is easy to follow and full of useful information. Well written and organized, too.
