The twisted troublemaker Two-Face is back in Gotham City, and Batman and Robin have to stop him. Read all about their first adventure as the Dynamic Duo!

Kids loves these books, great early reader

My 4 year old really enjoys this. It is great for small children that are into superheroes and are just learning to read. There aren't too many Robin options out there, so this is definitely a favorite in our house.

I work with kids with special needs and several of them have enjoyed this book and several others that I have. Although I think I need to go up a level for them.

My 4 yr old grandson absolutely loves this book. Has him mom read it to him all the time.

My son who is a big batman fan loves these books

Grandson loves it

These I can read books are great confidence builders for the emerging reader! All the titles are good reads and there are many subjects and characters to choose from. My son loved to "get the next level" once he has mastered the level 2.

I gave it 5 stars because this book was terrific ! And it had exciting pictures, and I recommend this book to seven year olds, because I'm 7 !
