Another Woman's Husband: A Gripping Novel Of Wallis Simpson, Diana Princess Of Wales And The Crown

Synopsis

From the #1 bestselling author of *The Secret Wife* comes a gripping novel that commences with the tragic death of Diana, Princess of Wales, and journeys back to the fascinating world of Wallis Simpson, Duchess of Windsor. 'A triumph' Dinah Jefferies on *The Secret Wife* by Gill Paul Two women who challenged the Crown. Divided by time. Bound by a secret... 1911 At the age of fifteen, carefree Mary Kirk and indomitable Wallis Warfield meet at summer camp. Their friendship will survive heartbreaks, separation and the demands of the British Crown until it is shattered by one unforgivable betrayal. 1997 Rachel's romantic break in Paris with her fiancé ends in tragedy when the car ahead crashes. Inside was Princess Diana. Back in Brighton, Rachel is haunted by the accident, and intrigued to learn the princess had visited the last home of Wallis, Duchess of Windsor, only hours before the crash. Soon, the discovery of a long-forgotten link to Wallis Simpson leads Rachel to the truth behind a scandal that shook the world... Richly imagined and beautifully written, *ANOTHER WOMAN'S HUSBAND* is a gripping, moving novel about two women thrust into the spotlight, followed by scandal, touched by loss.

Customer Reviews

I was totally enthralled by this wonderfully written story. I have always been fascinated by the lives of both Wallis and Diana and to read a story connecting the two was so very interesting. The writing style is fluent and engaging, sweeping back and forth in time building up the story and the connections between the two women as seen through the eyes of others. All the characters feel so real. I loved the background stories of both Wallis and her old friend Mary, and of Rachel and her relationship dramas and her wonderful vintage clothing shop. And the fact Rachel's story is set in Brighton, my home town, only added to the appeal. Absolutely wonderful book. Highly recommended

What a fascinating book. When I saw *Another Woman's Husband* was available in ebook I bought it. I had previously read and loved *The Secret Wife* by Gill Paul so I was eager to read the story of two fascinating women, Princess Diana and Wallis Simpson. I didn't want this book to end. It was so well done. You get some insight into both fascinating women and the people that surrounded their lives. I appreciated and learned from the Afterword. Thanks Gill Paul, I know several people who I will purchase a paper copy of this book when it's available. Myself included. Treat yourself to a great read and you will soon be purchasing the other books by Gill Paul

I've always been totally fascinated by the story of Wallis Simpson and the constitutional crisis in which she found herself caught up in it but I think I've always had a slightly rose-tinted view of her involvement, of a king turning down his destiny for love. I knew little about her early life, and very little about the German connection or what happened to the couple when the furore was over. Through meticulous research and the most fluent of story telling, Gill Paul brings her vividly to life in this book her family and personal life, aspects of her personality and behaviour I'd never been aware of. I very much liked the way she handled it rather than focusing squarely on Wallis, she filters her through the eyes of lifelong friend, Mary Kirk. I loved Mary's story always in the shadows, the support for Wallis's larger-than-life presence, then moving centre-stage with her own moving story. The Diana story is also looked at obliquely, through the eyes of chance observers and Rachel's well-developed fictional story works so well to reveal parts of the story, to look at the Diana obsession that followed her death, the speculation around the cause of her death. I loved the whole story around trying to save her vintage clothing business, the sourcing of the rare pieces, the fashion detail, while her partner obsessively pursues the truth around Diana's death for a TV documentary to the detriment of their relationship. And the links between the two stories, other than the obvious royal one, were totally inspired, and so well done. I adored this book a tremendous story, really

several stories imaginatively and cleverly woven together, with a seamless fusing of fact and fiction. And it's all underpinned by the most meticulous research of the historical detail " I found the book's postscripts providing the detail and sources almost as fascinating as the book itself.
