Customer Reviews

Not really impressed with this book.

This was terrible. Very poorly translated from something that was Not English. Add that at least half the book was copied from another book. Don't waste your time or money

very disappointed.

This book is very honest and I like it a lot it takes all information from how to talk dirty to how to understand everything about men's good advice. I like this author I will follow him nice reading no BS

this was really good one of the best books I read on this subject

If you want to learn best dirty talking tips, techniques for building sexual tension & turning him on, you'll find them in this book. It's really just another way to spice up your sex life. highly recommend it

I totally recommend this book, really interesting. You can find a lot of tips about dirty talking, orgasm, how to spice up your relationship and you can discover your own problems. Very easy to read...

Great Kindle book! It says in short way everything you need to know with examples. nice reading . A good summary of big books which say less stuff in a lot of pages
