Customer Reviews

We have really enjoyed having this book through the holidays! I bought 4 Ukuleles for Christmas gifts and all 4 were playing jingle bells in no time! The information given in the front of the book is invaluable! I highly recommend you purchase this book even before you get a Ukulele!

My nephew loved it.

The book gives some interesting information about the ukulele along with some traditional Christmas songs using very basic/easy chords to play the songs.

Lots of fun. Easy and inexpensive. Super nice guide.

This was an easy book to follow and it is well written. It seems to have every bit of information that I need to get started. I will be buying the paper book also.

Great book. Definitely worth the money. Learned quickly and easily the beginning skills necessary to be a good uke player.

Exactly as described in product description. Had Christmas songs that could be played easily be played on a eukalali. Good.

It is a good beginner book but had some nice tips for the more advanced beginner player. Seeing it on the Kindle fire helped a lot too with the ability to see the photos clearer and in color. Has the basic cords in it as we all will be playing during the holidays and on winter vacations.
