Barbour's fabulous line of perpetual calendars offers something for everyone. Each title, from inspirational to humorous, is complemented by an appealing design. A perfect purchase as a gift or for personal use, these perpetual calendars will inspire for years to come.

I only received the January 2014 devotional, but I found that I really enjoyed spending a few minutes collecting my thoughts and reading each day! I am hoping to see them come out with a yearly daily devotional delivered as a monthly E booklet I would pay for that if you get a chance try these devotionals. I hope you enjoy them as much as I did.

I read the free sample for January, but it was enough to let me know this is a well-written devotional. Each day's reading is short and to-the-point. They can be read day by day as intended or several together to create a longer devotion time, if that's what you prefer. I found them encouraging and more inspirational than thought-provoking but certainly worth the read.

I wish it had been a bit longer. Only a few pages.

I'm disappointed with this, although I enjoyed ALL the Daily Devotions I feel that I was misled because it ended with January and they had it as a PRE-ORDER saying it was DAILY WISDOM FOR WOMEN 2014 which it's still listed that way and it's still listed that way and you don't find out it's only for January once you purchase it and read through it.

Very pretty lavender Christian book I'm enjoying.

I love the fact that each page corresponds to each day of the year. There is a built in ribbon to keep your place each day and the cover is soft and resembles a journal. Each page is beautiful inside which makes me happy when I open it each morning. Appearance wise it is very attractive and feminine. The most important strength, the content, is perfect. I am able to read a bible verse and a corresponding paragraph that allows me to focus on a specific area of my belief or behavior for that day. Each page ends with a prayer that relates to the content for that day. It is clear, concise and designed specifically for women. It would make a great gift for the women in your life as well. Very beautiful and yet spiritually functional.

This book of daily breads has fed my soul and really given me a new prospective on how to speak to my Lord and have faith in the divine process. My spirit was in turmoil but has been calmed therapeutically and spiritually. I do recommend this book to anyone

I enjoyed reading the daily devotionals. The brevity of each day's lesson is ideal for someone who has a busy schedule but wants to still spend time in the Word. The scriptures chosen were ones of encouragement which helped with the daily grind of things.
