State Exam Review For Professional Barber-Styling (revised Editon)

Synopsis

This book presents a review of the material that may be covered on a state licensing exam for barber-styling. It employs multiple-choice questions, a form of examination that has been widely adopted by the majority of the state boards and sponsors of nationally distributed tests. Groups of questions have been arranged under major area. It is advisable that the review of a particular subject take place soon after its presentation in the classroom, both to reinforce retention of the material by students and to provide instructors with a means of evaluating their students' knowledge. The content of the book mirrors advances in professional barber-styling. The book will serve as a valuable aid to students as they prepare for their licensing examination, whether it be a state or a national test.

Good guide since I need it alot

I chose this book because of the reviews that were wrote about it. So many things to read about and learn. I bought it for my son and he really likes it. I didn't have to wait long to receive it either. Love the price as well.

It's has all I need to prepare for my Test

the book is very helpful, the questions in the books are very similar to the state board exam. I highly recommended this book for anyone is preparing to take the state board.

Barber-Stylists from China, Hong Kong or Taiwan who cannot understand English will not able to take full advantage of this great book. If the book have someone translate it to Chinese, it will help my friends to stay in their field.
