Consume Me (Ravage MC#3)

Synopsis

Prospect Andrew "Tug" Tugger wants two things. One, to become a member of the Ravage Motorcycle Club, and two, Blaze, the sexy brunette whose eyes set him on fire. Only one of those things is under his control, and he is done waiting. It's time to take what he wants. Blaze has been running from her tragic past for over four years. She is finally feeling settled, after stripping her way through school and building a life in Sumner, her first safe haven. She keeps everyone at arm's length, afraid to let anyone discover the secrets she holds within. Tug sets out to make Blaze his, but will someone get burned in the process? Will Blaze run again when her new world is threatened? Or will she allow Tug to consume her? **Due to sexual situations this book is intended for over 18 only**

Customer Reviews

Boy oh boy, am I loving this series. I have a weakness for MC (motorcycle club) books in general, but it's honestly a bit difficult to find ones that really suck you in and aren't a bit corny and fluffy I guess. If I'm reading

an MC book, I want rough, grit, hardcore, dominating type of reading material, and Ryan Michele definitely delivers that in this series! Blaze is one of the biggest attractions at Studio X, the local strip club that Ravage MC owns, and Princess runs. She's sexy, has a body to die for, and brings in the big bucks. But she has a secret. Her past isn't so good, and just in case it catches up with her, she's sworn she won't get close to anybody, especially the brothers of the Ravage MC. After all, why get close if she ends up having to grab and go in the blink of an eye? Tug is a Prospect with the Ravage MC. Tough & rugged, yet caring, one look at Blaze and he knows she's his, one way or another. It doesn't matter that the brothers were told to leave her alone, or that any who've tried has struck out. But Tug likes a challenge, especially one with long legs and a rocking body. But when Blaze's past tries to sneak up on her, is he willing to stick by her side? And better yet, are his brothers with Ravage willing to deal with the trouble her past may bring to their doorstep? What a great book! I absolutely loved Blaze and Tug, especially together. They both have crazy and unfortunate pasts, which is what I think helps them get each other even better. Definitely a great read, and a great addition to this series. I will warn you though, these book tend to end in cliffhangers. The first two books, even with the cliffhanger, you could still get some idea of where the next book might go, as well as whom the primary characters the next book would be about. But with this one it'll just leave you scratching your head. I am so glad that I bought all the books that are currently out in this series, because I can dive right into book 4 without having to wait to see what the hell is going on! I just never want to stop reading this series! Another plus with these books that don't have anything to do with the writing or story is the book covers. Not only do you have the name of the book as usual, but the author also lists the number the book is in the series, as well as the two people the book will be about, which is great. I love being able to just glance at the cover and know the basics of the book right off the bat. I wish all authors did this. Also, right before the first chapter of each book, she lists what order this series should be read in, so you have yet another great "quick glance" option to figure out what books are what in the series. Great stuff. Overall, highly recommended. If you like MC books AT ALL, or love rough and rugged alpha males, you'll love these books! Check them out ASAP!

I FEEL AS THOUGH IM CHEATING ON CRUZ...BUT I THINK I FELL INLOVE WITH TUG HERE!!!!!! THIS IS MY FAVORITE TO THE SERIES SO FAR FROM RYAN MICHELLE. I LOVE HOW THE STORY GRIPS YOU AND DRAWS YOU IN AND YOU GET A FEEL FOR EACH

CHARACTER. YOU THINK YOUR ACTUALLY THERE....WATCHING THE STORY UNFOLD....NOT JUST READING IT.TUG HAS A ROUGH PAST AND A MESSED UP CHILDHOOD. HIS LIFE NOW IS THE MC AND A SWEET LADY NAMED BLAZE....THAT JUST WONT GIVE IN TO HIS SEXY CHARM.BLAZE...TO ME....HAD AN EVENMORE HORRIBLE CHILDHOOD THAN ANYONE TEENAGER SHOULD EXPERIENCE. YET SHE CAME OUT OF IT STRONGER AND IS JUST AWESOME LADY. SHE DOSENT BELIEVE SHE NEEDS ANY MAN TO TAKE CARE OF HER, SHE HAS HERSELF AND THATS ALL SHE NEEDS.BUT TUGS PERSISTENCE HAS HER WALLS COMING DOWN...LIFE DOSENT COME EASY FOR THESE TWO TO BE TOGETHER...BUT WE GET TO EXPERIENCE THEIR WOES AND THEN THE PASSION THESE TWO SHARE LIT UP MY KINDLE!!!!ONE THING I DID TOTALLY ENJOY WITH THIS BOOK AS IT IS A SERIES....IT DIDNT FOCUS ON THE PREVIOUS COUPLES AS MUCH LIKE SOME OTHER SERIES DO....AND I REALLY ENJOYED GETTING THE FULL INSIGHT TO TUG AND BLAZE. OF COURSE WE GOT TO SEE PRINCESS AND HER BADA\$\$ERY....BUT COME ON....SHE IS BADA\$\$\$!!!ANOTHER 5 STAR READ....AND I CANT WAIT FOR THE NEXT BOOK....BRING IT ON!!!!!!

It's been a while since I've read in this world but was quickly reminded and wasn't lost for very long. This is Tug and Blaze's story. Blaze is a stripper at X and Tug is a prospect with the MC. Tug is very persistent and won't take no for an answer because he wants to be with Blaze. What I didn't like was how he pushed to be with her somuch but still hooked up with a club momma or that he didn't see he wanted her as his ol' lady. By the end he has pulled his head out of his butt and sees she is want he wants. Blaze is very standoffish to the point of just not really letting anyone in but her past gives her reason to be that way. The major conflict comes from her past coming after her and some get hurt because of it. They had quite a few conflicts in this story and most were resolved. The end does in on somewhat of a cliff hanger so I'll just have to wait and see what is to come. Overall I really liked Blaze and Tug together (really liked that he has long hair!) and would recommend this if you have read the previous books (if not read those first).
