gift for a friend who loved it

Not enough info on relocating. More I do is needed on jobs crime rate and other important categories.it's not enough info.

As a native Austinite, I purchased this book for my guests. I returned the book. It reads like a poorly written school report drawn from Wikipedia. No, seriously most of the references listed are from Wikepdia. the best neighborhoods, the resturants, are well out of reach of many Austinites. It feels like an assortment of advertisements. I'll keep looking for a good resource for my guests.

Very complete, neverdeless, I feel that it could had mor info about cost of life.

great!

Would expect a little more even at this price. Even a little bit of insight would make it read less like a tourist book.

It is tiny, like a pamphlet not a booklet.

Truly a waste of time.
