Human Relations In Organizations: Applications And Skill Building (Irwin Management)

Synopsis

Lussier's *Human Relations in Organizations: Applications and Skill Building*, 10th Edition, offers a workbook-style approach that is perfect for incorporating activities and exercises into the classroom. This approach helps students master critical concepts as well as develop skills that they can use in their professional lives. The book provides a balanced, three-pronged approach:

- A clear concise understanding of human relations and organizational behavior concepts
- Application of human relations and organizational behavior in the business world
- Development of human relations and organizational behavior skills

Resources > Human Resources & Personnel Management

Customer Reviews

Clean book and no highlighting. Sent timely. Thank you!

Not bad. The small lettering and lack of pictures turned me off at first, but the case studies are still fresh and relevant. I only needed it for school.

Great book, I've enjoyed reading it. Also, it came in good condition as described.

bought this for my wife, she said it is a great book.

Great book. Great service

It was perfect
