Wonderful book! This is a delightful collection of short stories from expats living in Taiwan. Each one offers a very personal glimpse into their lives and captures the essence of the expat experience there. Whether you've visited or lived in Taiwan or never even heard of it, this book will leave you smiling. Having lived there myself it brought back great memories. Be warned - if you haven't been to Taiwan yourself, this book may lure you in. Go for it!

Extremely heartfelt and insightful. Stories about learning Chinese and daily life are hilarious! Really helped me in relating as an expat.
