Mero Cristianismo (Mere Christianity) (Spanish Edition)

Synopsis

In 1941 England, when all hope was threatened by the inhumanity of war, C.S. Lewis was invited to give a series of radio lectures addressing the central issues of Christianity. More than half a century later, these talks continue to retain their poignancy. First heard as informal radio broadcasts on the BBC, the lectures were published as three books and subsequently combined into *Mere Christianity*. Lewis's forceful and accessible discussion of Christian belief has become one of the most popular introductions to Christianity. Because Lewis rejects the boundaries that divide Christianity's many denominations, he uncovers common ground upon which all Christians can stand together. This twentieth century masterpiece provides an unequalled opportunity for believers and nonbelievers alike to hear a powerful, rational case for the Christian faith.

Customer Reviews

Mere Christianity is the most popular of C.S. Lewis's works of non fiction, with several million copies sold world-wide. Heard first as radio addresses and then published as three separate books -*The Case for Christianity*, *Christian Behavior* and *Beyond Personality* - this book brings together Lewis's legendary broadcast talks of the war years, talks in which he set out simply to 'explain and defend the belief that has been common to nearly all Christians at all times'. --This text refers to the Paperback edition.

C. S. Lewis (1898-1963) was a British novelist, poet, academic, medievalist, literary critic, essayist,

lay theologian, broadcaster, lecturer, and Christian apologist. He held academic positions at both Oxford University and Cambridge University but is best known for his works of fiction-such as The Chronicles of Narnia, The Space Trilogy, and The Screwtape Letters-and for his nonfiction-such as Mere Christianity, A Grief Observed, and The Problem of Pain-which still continue to attract thousands of new readers every year. Pedro Sanchez was born in Madrid, Spain where he later hosted Rayuela, a cultural radio program. In 1988, he relocated to Chile and has since given over thirty-five speeches about the arts at numerous universities and cultural centers. In 2014, he began his voiceover career and has since narrated audiobooks such as El Peregrino de Compostela by Coelho and Mero Cristianismo by C. S. Lewis.

Many people Believe in different forms of Christianity, go to church, participate but do not understand the underlying principles behind what they believe. I was one of those until I read this book. And I ordered this book in Spanish for my friend who doesn't read English. It has given us a lot of things to talk about. She is Catholic and I am Evangelical Christian, although raised Catholic. It is easy to read and should be required reading for any Christian believer no matter what denomination. No wonder Mr. CS Lewis is called a Classic, his words are as timely as ever!

Las letras son increíblemente pequeñas. Deberían venir con lupa.

Es una autentica joya del cristianismo. Muy apta para que no cristianos puedan entender qué creen los cristianos y a la vez para que los que lo profesan puedan conocer las bases de la fe. Un libro que debe leerse (A must-read)

This is a great book for people who is constantly chasing answers about God. It is a great piece to read enjoying of the intelectual level of CS Lewis. I highly recommend it.

Great book. Great truth. The book reaffirms how we must leave nonsense behind in order to learn the Truth and follow Jesus as it should be.

BEST BOOK EVER

always a classic in any language. I do Bible studies at a jail where Spanish is the native language of a few inmates.

One of those books every christian and every non-christian should read! C.S Lewis is truly an incredible author making very complex ideas and thoughts very easy to understand.

Recommended!
