Mail-Order Bride Ink: Dear Mr. Vander

Synopsis

Sophie Baxter had been passed from relative to relative after her parents died. Eventually, said relatives passed on too, leaving Sophie no choice but become a mail-order bride. But in Sophie's case, she looked forward to it. No more drudgery, no more taking care of sick relatives, watching them die, then doing it all over again with another set. No, this was progress! But when Sophie arrives in Independence, Oregon to finally meet her future husband, she gets more than she bargained for. A lot more! Following in his father's footsteps, Fletcher Vander took to practicing law like a duck takes to water. Too bad his methods were so frowned upon by his current employers. Worse, his unorthodox ways got him fired. With a stiff upper lip, he returns home to Independence, where the unthinkable has happened! Who'd have thought life in the tiny town would suddenly become so exciting? And in the midst of it all was a true damsel in distress. Maybe getting fired and forced to go home wasn't going to be so bad after all.

Enjoy this sweet, clean, wholesome western historical romance! And visit with a few familiar characters to boot!

Customer Reviews

This is another fantastic story by Kit Morgan and I loved it. The Mail Order Bride Ink series is awesome. This is another story in another amazing series that Kit Morgan has expertly written. Sophie Baxter is a mail order bride going to Independence, OR. She arrives in town only to find her intended murdered while waiting at the train station for her arriving in daylight. Then she gets arrested for his murder. This is the start of a very interesting and fun but a bit scary romance story. Fletcher Vander grandson of the Mayor and Mercy Vander just arrives in town and hears right away after getting off the stage what happened so he heads to the sheriff's office to see if he can help this young woman. He is a lawyer who is returning home because he lost his job at a firm in Portland that his grandfather helped get for him. This story picks up speed and excitement all of a sudden, well after the excitement of the first murder in town since the sheriff arrived. Then it is full speed ahead and you can't put it down because there is so much happening in the sheriff Jace, Fletcher and Sophie together trying to solve her intended's murder. But there are all kinds of surprises and twists and turns that just make this a very well written and fun story to read. I highly recommend this story and all the ones in this series. You won't regret it. I also recommend you read her Mail Order Brides series to get a bit of all the towns she is writing these stories in to get a feel of the towns, the folks living in these towns and the families that are involved and you will get a feel of how funny, witty, and adventurous her stories are. You will love all Kit Morgan's fun stories are.

I loved books by Kit Morgan and this is no exception. There is the perfect blend of romance and humor, as well as a little mystery to be solved. I love that this book introduces a new generation of characters in Independence, but I still get to visit with some of my favorite characters from past books.

OUTSTANDING BOOK Very entertaining Complete with a couple cliffhangers as only KIT can do them Beginning of Anson and Henry's stories Reunite with characters from the past Welford, Irene, Willie, Pastor Jo, Annie, many more

Kit Morgan has. A wonderful way of bring the second generation into this one crazy loving town..never expected a who did it ??? Mystery .lots of love and laughter what a book should have..A fun and mysterious read

If you are looking for a little murder mystery, try this wonderful story. This story is a delightful and will keep you wondering to the end. I loved how the characters Sophie and Fletcher reacted to one another.

So another gripping and fantastic story!!!! Your characters were very likable, especially the Grandparents and the family help. They were absolutely priceless. Thanks for sharing your storytelling!!!!

Always funny, entertaining, and well written. This whodunit with a dose of romance kept me to the very end. This is well worth the read.

I love going back & seeing the children grown up, & having their own adventures. The story was as always excellent. Love Kit Morgan stories!!!!!!!!!!
