Car Talk Classics: No Factory Recalls. So Far.

Synopsis

There may be an occasional flaw in the auto expert advice of brothers Tom and Ray Maggliozi, but the complaint box remains empty, with no factory recall in sight. The next entry in the ever popular Car Talk Classics series features four all time favorite Car Talk episodes, hand-picked by host Click and Clack, the Tappet Brothers, and presented here together for the first time. Car Talk continues to be one of public radio's most popular and laugh-inducing programs, with a weekly audience of four million listeners. Car Talk, winner of a Peabody Award, is broadcast each week to NPR stations nationwide. The world's wackiest call-in show, it mixes automotive advice with wisecracks, roadside philosophy, and guffaws. No problem is too ridiculous, no solution too absurd, and before you know it, "you've wasted another perfectly good hour listening to Car Talk." Or, in this case, four.
