One City's Wilderness: Portland's Forest Park, 3rd Edition

Synopsis

Situated in the rugged hills west of Portland, Oregon, Forest Park is one of the largest urban parks in the world and the only city wilderness park in the United States. The park is home to hundreds of native plants and animals and offers more than eighty miles of trails--all within minutes of downtown Portland. This updated and expanded edition of *One City's Wilderness* provides directions to twenty-nine hikes of varying length, difficulty, and scenery, covering every trail within the 5,100-acre park. Each hike is illustrated with a new, full-color map, and a fold-out, full-color map of the entire park is included inside the back cover. Marcy Houle shares the history of Forest Park, introduces the people who fought to preserve it, and explores the role stewards play today. She describes the park's critical wildlife corridor, its exceptional watersheds, and important native interior forest habitat. She encourages people of all ages to take an "All Trails Challenge"--learning about the unique nature of the park by exploring every trail. The book also includes bird, plant, and mammal checklists and eighty-four color photographs of native plants and birds. For its recreational and educational opportunities as well as its extraordinary natural beauty, Forest Park is unquestionably America's premier urban forest. *One City's Wilderness*, in its updated third edition, continues to be the authoritative, complete guide to Portland's greatest natural resource.

We hike in Forest Park every weekend and this book has been an excellent resource. Highly recommend! It's definitely inspired us to try different trail heads and get more variety in our walks.

Detailed maps & photos of plants & birds enhance the next trail experience.

I LOVE this book! It has hikes at different levels of endurance and the maps are clear.

Very useful. Great maps and easy to follow.

For anyone wanting to explore Forest Park or just know about its history this is the book to have!

Excellent book, great service. It will be put to great use. Many thanks. Many thanks to you. It was exactly as described.

Great reference book!

We went for a hike in Forest Park and my daughter and son-in-law had this book, they said we could borrow it, but it was so good that as soon as we got home I went online and ordered my very own. If you like to hike in Portland then I recommend you get this book. I really like that it has nature identification sections also. Real photos.
