Customer Reviews

Since the 1973 publication of Storey's first Country Wisdom Bulletin, our commitment to preserving the arts, crafts, and skills of country life has never wavered. We now have more than 200 titles in this series of 32-page publications, and their remarkable popularity reflects the common desire of country and city dwellers alike to cultivate personal independence in everyday life. Storey's Country Wisdom Bulletins contain practical, hands-on instructions designed to help you master dozens of country living skills quickly and easily. From traditional skills to the newest techniques, Storey's Bulletins provide a foundation of earth-friendly information for the way you want to live today.

Robert Gough holds a doctorate in botany and is Professor Emeritus of Horticulture at the College of Agriculture, Montana State University. He is the author of 17 gardening books, 500 extension service publications, and articles for *Fine Gardening*, *Country Journal*, *National Gardening*, *Zone 4*, *Montana Magazine*, and *Harrowsmith*. He served as Extension Horticulturalist in Montana, hosted the popular Dr. Bob's Northern Gardening Tips radio program for 10 years, and was a

panel member on PBS's Montana Ag Live for 15 years. He is a Fellow of both the American Society for Horticultural Science and the North American Colleges and Teachers of Agriculture, as well as a member of the advisory board of Zone 4.

I CAN HARDLY WAIT TO TRY OUT THE INSTRUCTIONS IN THIS BOOK GROWING MY OWN PLANTS NEXT YEAR! I REALLY LIKE HOW THE AUTHOR KEEPS THE BOOK SIMPLE AND SUCCINCT AS WELL.

Like the rest of the Storey bulletins I have acquired, this one is very clear and concise. All of them have been around 30 pages but are a wealth of useable information. If you plan to start a blueberry farming business you really need more information than provided here but if like me you are planting a few blueberry bushes around the yard this is the book for you.

These Storey Publications information pamphlets are excellent and cover a very, very wide range of subjects from home wine making, produce preserving, growing and using fruits, vegetables and herbs, building various structures and useful items, and many, many other subjects.

Great book or pamphlet that has tips on how to care for your plants and increase yields. Straight forward and to the point.

This pamphlet is one of a series providing succinct information on several topics. I have been impressed with the practical, easy to understand advice. I would recommend this series to any one.

It's not a very large book but it is packed with very useful information. My husband says he "got more information out of this little book than he got out of the big technical books on blueberries". It is very useful for the everyday gardener.

For someone who has never planted a bush or tree and doesn't want to do any research to get more information.

a great easy way to learn about the HEALTH of my Blue Berry Bush, a MUST for beginners
