“The Bible is for children too—and in many ways for children especially since Jesus tells us that those who come to him must come as little children. This is a serious study Bible for kids. It doesn’t patronize children with low expectations but addresses them as fellow followers of and joint heirs with Christ. I look forward to using this Bible extensively with my children. I recommend it highly.”

—Russell D. Moore, president, Ethics & Religious Liberty Commission of the Southern Baptist Convention

“Imagine . . . a generation of young people who are wholly committed to enjoying God because they understand and love the unified message of the Bible. The theologically rich study helps in this Bible will prove to be a powerful resource for our children as they seek to walk in the truth.”

—Gloria Furman, author, *The Pastor’s Wife*; *Missional Motherhood*; and *Alive in Him*

“As the mother of an 8 year old boy, I was thrilled to learn about the ESV Following Jesus Bible. Reading this Bible will

enable him to learn in greater depth the who, what, when, where, and why of the Scriptures. With great illustrations, clear definitions of key terms, and character analysis, kids will gain foundational understanding of God's Word before transitioning to a more advanced edition. The ESV Following Jesus Bible is a perfect next step from elementary Bible teaching to the pre-teen years.

•Trillia Newbell, author, *Enjoy*; *Fear and Faith*; and *United*

"The clear explanations regarding customs, terms, and concepts contained in the ESV Following Jesus Bible make it a helpful guide to understanding the Bible text for children, while maintaining the integrity of the ESV text. Children will benefit from this edition."

•David and Sally Michael, founders of Children Desiring God, Minneapolis, MN

We bought this for our son and it's been great. It's not necessarily a "Kid's Bible", per se, but it does have lots of extra information in it throughout that makes it more of a good study Bible for older kids/young adults.

I got this bible for my 11 year old to take with him to camp. He said it was very easy to use, follow, and understand. I would purchase again in a heartbeat.

Bought this for my 8 year old granddaughter who thought her children's Bible was not advanced enough for her. She loves it! If she'll read it every day, I'll do anything to make that happen.

This is my favorite Bible. I think it is meant for youth and I am a senior, but it is filled with so much interesting information. I have given several for gifts to other adults also.

I love this bible. I have recommended it to every child at church, even teenagers.

My go-to kids bible!

Thank you

Great for Sunday school.
