Synopsis

The popular story of Spot's first day of school is now available in Spanish! School is fun -- there's so much to see and do. First Spot will meet his teacher and classmates, then it's time for music. Learn-ing to spell, listening to a story, and painting a picture are just some of the things in store for Spot on his first day. Eric Hill created Spot in 1980 for his young son. Since then, the Spot books have gone on to sell over 22 million copies in approximately 100 different countries, making it one of the bestselling children's series of all time.

I got this for my daughter because she was starting drop-off mother's day out. I got the Spanish book because we also speak Spanish at home and I like to have some books for her grandparents to read to her. What I really liked about "Spot va a la escuela" was that Spot's school day does not include nap time (half-day preschool does not have nap time). Also, at the beginning of the book, Spot is sad because he doesn't know the songs they sing but others welcome him. And, at the end, they show the family members coming to pick up the kids. My in-laws do the dropping off and picking up, so it not being "the parents" doing the pick-up was good for us, too. Highly recommend.p.s. If you don't actually know Spanish or it's been a long time, this book has some humdingers in it that you might have to look up and are even a little tricky to pronounce. Just a heads-up that you might want before reading it to a child.

Really cute!

My boys love Spot!

Our 2y9m daughter loves Spot and when she showed interest in other languages, we got this for her. She likes this book - cute pictures and flaps and perfect for the little ones who go to preschool themselves.

My kids are so happy reading about Spot the dog. Los estudiantes estan felices cuando leer los aventuras de Spot.

These Spanish books are great for teaching kids how to say some Spanish words. It is a great way to get them used to hearing how the language sounds and what some of the basic words mean.

I've taught Spanish at a summer camp for years and I have used this book every year. Children love Spot. The illustrations are lively and the pop-up pages captivate their attention. This is a great way to introduce some Spanish vocabulary!

My daughter who is 2.5 loves this book. It is very helpful because I'm preparing her for preschool

next year.
