## Customer Reviews

Son has been playing trumpet for only a year. I bought hoping it would inspire some playing during the summer. Sadly, this did not. It was very difficult for him to read the music. Perhaps when he gets better, he will love it as he loves Harry Potter. The CD was a bonus and he enjoyed listening to it. Fingers crossed he will be able to play it eventually!

Great product and great delivery.

Easy for my grandson to follow.

Bought this for my daughter for xmas and she absolutely loves it. We also got her the piano book and is actually using it in her lessons. perfect gift

YES!!!!!!!!!!!!

Fun to play. Skill level is accurate.

Exactly what it said it is

I purchased this for my son who is otherwise reluctant to practice. He loves this music and is much more willing to practice the pieces in this book. I highly recommend it! Also recommendÃ A Star Wars Episodes I, II & III Instrumental Solos Book & CD (Trombone Edition)
