A Lucky Luke Adventure : Ghost Town (Lucky Luke)

Synopsis

As he roams with his horse Jolly Jumper, always seeking new adventures, Lucky Luke meets two suspicious characters, Denver Miles and Colorado Bill. Together they arrive on the outskirts of a deserted city, Gold Hill, which counts only one inhabitant. The old man, Powell, is the sole survivor of a gold rush that he has not given up on, despite years without success...

Grade Level: 4 - 7

Customer Reviews

The character of Lucky Luke became a myth thanks to Morris (his creator) and Goscinny. These two giants of the 9th art collaborated with passion for more than 20 years until the death of the famous scriptwriter. Goscinny is the author of the well-known *Astérix*, which he launched with Uderzo. He also co-authored *Iznogoud* with Tabary. In 1992, Morris received the 'Grand Prix Spécial 20^{ème} Anniversaire' from the international comics show at Angoulême, and in 1998, the French Minister of Culture decorated him with the rank of 'Officier des Arts et des Lettres'.

Lucky Luke comics are novels that are comics. They are geared to about a 5th grade level of reading (best as I can tell). They are great for the boys who are reluctant readers because they are interesting, funny, fairly easy to read with lots of pictures to help. Lucky Luke comics take historical situations (Oklahoma land rush for example or the gold miners in 49) and present them in a funny

way with Lucky Luke saving the day. IN this book, Lucky Luke and his horse, have to deal with gold miners. It is fun and follows the trend of the other Lucky Luke adventures our family has read. Well Worth the Money Enjoy.

A cow boy story written by a French author... with all the "clichés" of the far west...

no issues grandson loves

I bought this comic for a friend who enjoyed these stories when he was a kid. He made me read them and I fell in love with them too! Great purchase, will have to buy a set for myself too. Wonderful stories, very enjoyable and fun for all.

My 9-year old grandson loves these books. The paperback edition is very useful - and economical. Arrived in perfect condition.

My 11-year-old son is a reluctant reader, but he LOVES comic books. I am always looking for comics that are appropriate for his age. He has read the Tin Tin and Asterix series. So, I was very happy to find this series about a good-guy cowboy. He likes them a lot and reads them eagerly!

A classic, to not miss

A classic
