# The Knights Templar In The New World: How Henry Sinclair Brought The Grail To Acadia

## Synopsis

Uses the principles of sacred geometry, archaeological evidence, and Native American legend to discover the site of a secret Templar settlement in Nova Scotia— Offers evidence that Scottish prince Henry Sinclair not only sailed to the New World 100 years before Columbus, but that he also established a refuge there for the Templars fleeing persecution— Shows that the Grail, the holy bloodline connecting the House of David to the Merovingian dynasty through Jesus and Mary Magdalene, was hidden in the New WorldIn 1398, almost 100 years before Columbus arrived in the New World, the Scottish prince Henry Sinclair, Earl of Orkney, sailed to what is today Nova Scotia, where his presence was recorded by Micmac Indian legends about Glooskap. This was the same Prince Henry Sinclair who offered refuge to the Knights Templar fleeing the persecution unleashed against the order by French king Philip the Fair at the beginning of the 14th century. With evidence from archaeological sites, indigenous legend, and sacred geometry handed down by the Templar order to the Freemasons, author William F. Mann has now rediscovered the site of the settlement established by Sinclair and his Templar followers in the New World. Here they found a safe refuge for the Grail--the holy bloodline connecting the House of David to the Merovingian Dynasty through the descendants of Jesus and Mary Magdalene--until the British exiled all the Acadians in 1755.

## Customer Reviews

"A mind-expanding investigation involving many disregarded, fascinating historical facts and

connections." (Henry Berry, The Midwest Book Review, August 2004)". . . you'll find much to ponder in this very detailed exploration. . . . this is an engaging study--one that definitely belongs on the reading list." (Mark Williams, New Connexions, Mar-Apr 2005)". . . so many fascinating subjects are woven into this book that it could serve as a study guide of esoteric topics." (Janet Brennan, Fate, Nov 2004)"I recommend it especially to those who have an interest in the Knights Templar." (Michelle Hilton, Circle of Stones, July 2004)~"Bill Mann blends Pythagorean geometry, hermetic wisdom, and secrets of Freemasonry to reveal a blueprint to the final resting place of the Holy Grail. From the Tarot to Tolkien, from Medieval France to modern day Nova Scotia, the reader is initiated into mysteries often hidden in plain sight.~" (Steven Sora, author of The Lost Treasure of the Knights Templar)~"A work of insight and discovery of interest to all Masons and seekers of treasures and secrets.~" (Andrew Sinclair, author of The Sword and the Grail)~"Utterly fascinating reading. Anyone who loves subtle detective stories will be enthralled by Bill Mann's research.~" (Michael Bradley, author of Holy Grail Across the Atlantic)

TEMPLARS / ANCIENT MYSTERIES ~"Bill Mann blends Pythagorean geometry, hermetic wisdom, and secrets of Freemasonry to reveal a blueprint to the final resting place of the Holy Grail. From the Tarot to Tolkien, from Medieval France to modern day Nova Scotia, the reader is initiated into mysteries often hidden in plain sight.~" --Steven Sora, author of The Lost Treasure of the Knights Templar ~"A work of insight and discovery that will be of interest to all Masons and seekers of treasures and secrets.~" --Andrew Sinclair, author of The Sword and the Grail ~"Utterly fascinating reading. Anyone who loves subtle detective stories will be enthralled by Bill Mann's research.~" --Michael Bradley, author of Holy Grail Across the Atlantic

In 1398, almost one hundred years before Columbus arrived in the New World, the Scottish prince Henry Sinclair, Earl of Orkney, sailed to what is today Nova Scotia, where his presence was recorded by Mi~kmaq Indian legends about Glooskap. This was the same Prince Henry Sinclair who offered refuge to the Knights Templar fleeing the persecution unleashed against the Order by French king Philip the Fair early in the fourteenth century. With evidence from archaeological sites, indigenous legend, and sacred geometry handed down by the Templar Order to the Freemasons, author William F. Mann has now rediscovered the site of the settlement established by Sinclair and his Templar followers in the New World. Here they found a safe refuge for the Grail--the holy bloodline connecting the House of David to the Merovingian Dynasty through the descendants of Jesus and Mary Magdalene--until the British exiled all the Acadians in 1755.

WILLIAM F. MANN's late great-uncle was a Supreme Grand Master of the Knights Templar of Canada and it was from him that the author received the key that would eventually unlock this mystery. He lives in Oakville, Ontario.

I found William Mann's book interesting but the reader in my opinion would require a Masonic background and an understanding of Navigation and Surveying to follow Mann's reasoning, together with a set of the early maps of the Canadian and American Eastern Seaboard.

I expected more information on the Templars, but the history was excellent.

Mr. Sinclair came to many conclusions that he alone could follow.

Great historical reading

Good book for anyone wanted to learn more about the Templars.

Good view of history.

There were so many things involved, I just lost track as to what was trying to be proved.

I am studying various sites across America that has Knights Templar presence and am curious to find more information on those subjects and to learn about more sites.
