Pierre Brignaud: Pierre Brignaud is the illustrator of all the Caillou titles in the Hand in Hand series, Step by Step series and Baby Caillou.

Cute books. The illustrations of the characters are a little different than the show, but my kiddo still

loves these!

They are sturdy and a good size books, the content is nice

No way!! I read each of these once then tossed them. If your kid is having challenges then maybe one of these books will help (e.g. Calliou Says No!) but if your kid is happy and well adjusted, these books can potentially make them worry about everyday things.

Great buy

Beautiful set of books. Great stories, great lessons and the books are perfect bedtime length. My 2 year old loves when we read these to her.

Very excellent product and it's perfect for all kids and english learner like me .

This is not illustrated like the Caillou TV show but my 2 year old still loved it.
