I bought this for my niece for Christmas and she loved it! I can only take her word for the content since I am not a Bieber fanatic myself. She said the quizzes were fun and that the book had ALOT of useful information about Beiber that she had not known before. Like what his favorite candy bar is. If you have a Beiber fan in your family I can safely say you will also be "the greatest Auntie ever" by buying this informative "most-definitive" book about the Beiber!
