Great book to read. The size of it is intimidating, but when you pick it up, you find that it's not too bad

Too many words without making the point. Extra time wasted.

Great book! Exactly what I was looking for!

Advertised as new but was used and had no access codes. Price paid was for new and access code. Very disappointed and would not recommend to anyone. I will probably not buy anymore text books from here. Returned item same day.

HORRIBLE PRINT QUALITY!

Arrived in great condition. However the content was boring.

As advertised.
