# Successful Sports Officiating-2nd Edition

## Synopsis

Successful Sports Officiating will help prepare aspiring and inexperienced officials for the rigors of the job. Written by leading experts in the officiating field—boasting experience at the high school, collegiate, and professional levels—this second edition has been completely revised and updated and includes new chapters on the current state of officiating, officiating as a career, and mental training. Enlightening discussions on developing an officiating philosophy and the psychology of officiating help you understand what it takes to be a successful official beyond just knowing the rules and mechanics. Chapters on developing skills in the areas of communication, decision making, and conflict management will assist you in managing contests and working with coaches, players, and parents. Discussions on personal fitness and injury prevention, time management, legal rights and responsibilities, and career development will help you manage the off-the-field aspects of being an official. Endorsed by Referee Enterprises, Inc., publishers of Referee magazine, Successful Sports Officiating, Second Edition, is the most comprehensive and authoritative text on the subject of officiating available today. Written and edited by a team of expert practitioners on the art and science of officiating, Successful Sports Officiating, Second Edition, is the reflection of decades of experience, and its practical approach will serve you well in your quest to understand and apply the principles of successful officiating.

## Customer Reviews

The American Sport Education Program (ASEP), a division of Human Kinetics, is the leading provider of youth, high school, and elite-level sport education programs in the United States. Rooted

in the philosophy of "Athletes first, winning second," ASEP has educated more than 1.5 million coaches, officials, sport administrators, parents, and athletes. For 30 years, local, state, and national sport organizations have partnered with ASEP to lead the way in making sport a safe, successful, and enjoyable experience for all involved. For more information on ASEP sport education courses and resources, call 800-747-5698, e-mail [ASEP@hkusa.com](mailto:ASEP@hkusa.com), or visit [www.ASEP.com](http://www.ASEP.com).

I picked up this book because I wanted to be a successful official and was hoping to learn the theories behind what makes a good official. The book was a fun read. While it covers how to get into the field, I found the best parts were tips on how to develop skills in the areas of communication, decision making, and conflict management. It would be nice if everyone would just get along, but when emotions are high, players or coaches will often try to gain an advantage by gaming the officials.

I don't really use this text book in class though this book is used one but it's really like new, no scratches, highlights

very good

Great for class

Very good update to the first edition. The material is a great review tool for experienced officials, as well as, a needed foundation for the beginner

Great asset for my training practices when I train my intramural sports officials.
