The Desserts Of New York: (And How To Eat Them All)

Synopsis

The Desserts of New York is the realization of Yasmin Newman's dream to eat her way around New York. In this hybrid recipe-book-meets-travel-journal, Yasmin's mission takes her through the city's vibrant neighborhoods, where a plethora of colorful characters and quintessential New York moments add life to her experience. The 50 recipes that accompany tales of Yasmin's adventure are taken on the city's best desserts – from the number one-voted old-school Jewish chocolate babka to Dominique Ansel's cult favorite, the cronut. Chapters cover Doughnuts, Cookies and Bars; Pastries, Buns and Bites; Cakes, Pies and Puddings; and Created and Plated, and within each chapter readers are offered a guide to the top places to find these types of desserts, along with a brief description of the venue. Think Eat Pray Love meets edgy New York, and prepare yourself for one deliciously cool ride.

"Here is a rare book, part kitchen companion, part tour guide, that is exhaustively researched, thoroughly vetted and painstakingly tested to distill the very best of a New York experience. The evocative pictures and conversational tone make you feel like you're walking the streets of this great city alongside Yasmin. If you're a tourist, you will love the carefully detailed options. As someone who loves sweets, I know I will cherish this book." - Miro Uskokovic, Executive Pastry chef at Gramercy Tavern and Untitled (both Danny Meyer restaurants) (Manhattan, New York)"Yasmin goes on the ultimate tour...

lined with the best desserts the city has to offer. The Desserts of New York puts you right along side her, step by delicious step!" - Matt Lewis and Renato Poliafito, Baked bakery and cafÃ© (locations in Brooklyn and Manhattan, New York)"Truly a sweet journey through New York City, Yasmin has created a deliriously delicious survey of the diverse dessert scene that reflects this city's culinary landscape - and the bonus of recipes included! Anyone with a sweet tooth must add The Desserts of New York to their library." - Emily + Melissa Elsen, Four & Twenty Blackbirds cafÃ© (Brooklyn, New York)"New York can be a big, overwhelming place to visit, but Yasmin's sweet perspective, gorgeous photos, and delicious recipes provide a great map for any local or visitor who wants to punctuate their wanderings with the best desserts in town. YASMIN NEWMAN is a food and travel writer, editor, recipe developer, photographer and TV presenter. She is also the author of 7000 Islands: A Food Portrait of the Philippines, awarded runner-up cookbook of the year 2013 by Kinokuniya Books.

As a New Yorker with a sugary disposition, I thought I knew whatÃ¢Â™s up with all thing sweet. Turns out Yasmin takes the cake there. And the donut. And the pie. The Desserts of New York is a comprehensive curation of the very best desserts that make the Big Apple famous. Through the numerous locales of Manhattan and the boroughs, you not only learn where to get them but also how to make them! It is evident that Yasmin has an intimate and knowledgeable relationship with the city, and her baking expertise is world-class. The book is thoroughly researched, beautifully written, authentically photographed, and stunningly designed. Seriously grab a copy. 5 stars! After this arrived in the mail I ordered a bunch more as gifts.

After reading Yasmin Newman's first cookbook "7000 Islands", I was excited to read her newest book - "The Desserts of New York". This is so much more than a cookbook - it is a "foodie" vacation in New York, which includes the brilliant history of each neighborhood via recipes and pictures. The recipes and tips are a gift. When we visit New York, I will use Yasmin Newman's book as our guide. Thank you, Yasmin Newman, for this vacation to New York.

This book is SO slick... The vibrant colors, stunning photography, embossed black typography, color

coated sections and curved cover corners make it coffee table worthy on the outside... but it's what's inside that's even sweeter (pun intended). Yasmin presents a unique snapshot into the NYC dessert culture. Although this book is categorized as a "cookbook", it goes so much deeper. Extremely well-written, thoughtfully executed and worth every penny.
