Customer Reviews

Potatoes are one of my favorite foods. I'm going to Ireland in 3 weeks. The cookbook is small and light enough to pack. I'm keeping a journal and will take notes about all the ways I experience eating potatoes.

Over the years I've bought loads of cookbooks featuring cuisines from all over the world. I love using new ingredients, but at the end of the day the potato remains at the heart of many meals. I was delighted to be given this cookbook. I never knew there were so many ways to cook a potato, and so far all the recipes I've tried have turned out very well. I like the nuanced info on how to get the best out of your potato variety. It's not a big cookbook, but I like that too. It's a great gift for

potato loving friends, and even though some recipes include meat, in general it's an excellent choice for vegetarians.
