Customer Reviews

Graphics are great just not much to bite on. Takes about 15 minutes read. The scrolling is a nice feature also.

All of George R.R. Martin's books are fantastic. I have read the available books twice as well as watching the TV series and have thoroughly enjoyed each medium. I await his final books in this series as I do the T.V series. His books keep you reading long after you were intending to. To be able to kill off the main characters and yet keep you enthralled is a talent that doesn't come along

very often. I will be extremely sorry when this series comes to an end.Brilliant and exciting writing.
