The Only Grammar & Style Workbook You'll Ever Need: A One-Stop Practice And Exercise Book For Perfect Writing

Synopsis

Everyone wants to produce writing that is clear, concise, and grammatically accurate, but getting to that point is not always easy. If you've ever had difficulty finding the right phrase to complete a simple sentence or have struggled to put a complicated thought into words, *The Only Grammar and Style Workbook You'll Ever Need* is for you. In this book, grammar savant Susan Thurman guides you through the complexities of spelling, usage, and style in the English language. Her comprehensive drills show you how to:

- Find the right words
- Identify the parts of speech
- Recognize elements of a good sentence
- Avoid common grammatical and punctuation mistakes
- Write clearly and directly

With more than 150 exercises and in-depth lessons, this workbook will quickly become your go-to resource for all your writing needs.

Susan Thurman (Henderson, KY) has taught English grammar from junior high school level to college level. She edits and publishes *Class Act*, a national magazine of grammar, writing, and ideas for English teachers. She teaches at Henderson Community College.

A good book. Even better if paired with the workbook.

Overly simplistic with not enough explanation.

Good and clear and concise. However, I knocked off a star because...one exercise on run-ons? More run-on practice, please. Great job on modifiers, however.

It has great exercises, BUT does not explain, just exercises. So if learning about verbs you would need the other book or internet for the definition and examples.

A fine grammar book and well laid out. I use it in some workshops I do on editing for publication and the students love it.

This was a great refresher for all the grammar rules that get buried in our heads, out of sight -out of mind!

This is an absolutely wonderful product for learning English grammar

Great book for beginners. I am using this book to assist a co-worker with grammar.
