Steven H. Gifis was an Associate Professor of Law at Rutgers, The State University of New Jersey School of Law, Newark.

Awesome book for any law field students! Examples are even given on a few of the more obscure terms which makes it more of a "in simple, plain English" book. I would even say a business student would benefit as well. Great price and is compact enough to slip into my messenger bag before class.

Clear, "plain english" definitions for just about every legal term you can think of.

A great laymans manual for understanding legal terms.

I ordered this for my class and it has worked wonders!

My daughter is in high school and taking some law classes at the local community college. This dictionary has been extremely helpful!
