The Lady Of Guadalupe

Synopsis

A gorgeously depicted story of the Lady of Guadalupe and her love for the people of Mexico! In stunning words and images, Tomie dePaola renders the beautiful story of the Mother of God appearing to an indigenous man in Mexico to teach true peace to the native people. In these visitations, the Lady of Guadalupe shows her great love for the Mexican people, and proves that culture need not be obliterated to bring the Christian faith to others. The beauty of the Lady's love is reflected in dePaola's spectacular watercolor illustrations. This is a fixed-format ebook, which preserves the design and layout of the original print book.

Customer Reviews

I really enjoyed the way DePaolo illustrates the beautiful story of our Lady of Guadalupe. My daughter's attention was captured during the whole book. What a wonderful tool to pass down yet another jewel of our faith.

A beautiful story. My family loves reading Tomie de Paolas books. He is one of my favorite children's

authors. This is one of his best books yet! The illustrations fit the story perfectly, and de Paola wrote the story so that kids of all ages can understand it.

Lovely children's book of Our Blessed Mother: Our Lady of Guadalupe

DePaulo's book is a beautifully illustrated and complete retelling of the events surrounding the miracles of the apparitions of Our Lady of Guadalupe in Mexico. Would be appropriate for a wide age range of children.
