Emi Kazuko is a leading food writer and journalist. She has published several books on Asian cooking. Young Jin Song owns several Korean restaurants in Asia and London. He is passionate about the fusion of Korean food with other cuisines.

Recipes great and I am sure will enjoy once we start to use the recipes

It was just what I ordered...very clean barely used. Very happy with my purchase.

Excellent book.

Great collection

**Excerpt From Inside jacket:** Japanese food is recognized all over the world for its simplicity and attractive presentation, while Korean food is known for having robust and spicy flavors. Each country has its own style of cooking, but they share similar approach to food with emphasis on using high quality, seasonal and fresh ingredients. They both feature a vast array of exciting, regional specialties, many of which have originated from traditional recipes and produce. This comprehensive volume is divided into 3 easy to use sections. The first begins with an informative history of the flavors and cooking styles of Japanese and Korean food, from the festivals and celebrations to eating etiquette. The second section begins with a guide to the typical implements used for preparing, cooking and serving, from sushi mats and rice cookers to the authentic crockery and utensils. Following this is a list of the key ingredients that are common to Japanese and Korean kitchens, including recipes for preparing stocks and sauces. The final section consists of more than 250 authentic dishes from every region. Full nutritional information is provided for all recipes featured to help with dietary needs.
