I have the 2016 calendar and I'm so glad it's continued! I love this calendar because it's high quality and has spaces large enough to write reminders or appointments. The notes from Kitty are hilarious every month! Stuff that only cat lovers understand. Update: I put it on my kitchen table to mark dates on it. Next morning...1 of our 5 DID pee on it. Unbelievable!

ABSOUKLTLY ADORABLE! I am a published poet, and these little poems are adorable and make me laugh! I love this calendar! Every month is a new, adorable cat with a cute poem-- plus the calendar doesn't look cheesy. The calendar is standard with all of the room you need, is thick and glossy (nice) and arrived fast. While it's a little late into 2017, if you still need a calendar, and you like cats/clever poems, this is for you! I would attach images with the poems but that ruins it!

Perfect for my office at work.

I loved the book, and the calendar is just as good--I think it even includes some poems not in the book, though I may be mistaken. It's large and printed on good quality paper, so one could frame months they especially enjoy for year-round decoration.

we're a big cat family and we buy these every year now. really cute and funny.

We bought this calendar for four different cat-owning relatives/friends as Xmas gifts; they were distributed on four separate occasions. I swear each person's eyes lit up with joy upon unwrapping, and every one of them immediately turned the calendar over to read the poem on the back page. We also bought a copy for ourselves, by the way. It's the cutest and coolest cat calendar ever.

Nice office calendar, it makes me smile every time I glance over at it!

I wanted to get something cute for work and these saying are hilarious. I also really like cats, I have 4 of them all rescues. I look forward to turning the month to read the new quote.
