Misty Copeland is one of the most famous ballerinas in the world. But her rise to the top wasn't easy. She had to work hard to become the dancer that she is today. Learn all about how Misty Copeland made her dreams come true in this new level 3 biography.

Fabulously done. Every title is popular with our 2nd and 3rd graders. They are Accelerated Readers. The books have plenty of good information for biography reports for 2nd and 3rd graders. The information is accurate and put together in an interesting format. There are nice color photographs running through this book to enhance the story. The quality of the paperback is good. This is a "go to" for our students who take dance, want to take dance, or want to be a ballerina someday. Really well done. This is a great series and high interest level with our students.

My daughter loves this book! Well written and great for a level 3 reader!

Thank you! My grandchildren live in SAN PEDRO CALIF, they enjoy the history on Ms. Copeland, they have her Barbie Doll, and they have visit the Misty Copeland Square, and Dancing School... what a History lesson!! Thanks

Very well written. Easy read for third grade up. I think I enjoy reading more than my daughter. What an amazing icon!

Perfect! My niece loved it! Great stocking stuffer!

very inspiring story, I like how it's not too candy coated. The book explains how hard she worked and that it was not always easy to be away from her family. My 7 yr old really enjoyed it!

My granddaughter love this book.

A great blessing and a inspiring story...for youths to adults
