Synopsis

If you want to seek the face of the Lord concerning the matters of your life and you need a powerful Bible-based resource to guide you, the "70 Days Fasting and Prayer Program book (2017 Edition)" by John Miller can help you. This thorough, comprehensive, pragmatic and realistic prayer book gives you the opportunity to wage war against and overcome all kinds of spiritual entities and problems. It also gives you access to diverse kinds of common and uncommon benefits and blessings. If you want your present circumstances to change for better and you want to do that using the power of fasting and prayers, this is your guide! Each day of the program has its own unique theme, highly-relevant scriptures, prayer background and prayers. The prayer background that comes before the prayers delve into scripture to extract deep meaning and to provide you with the context and scriptural foundation upon which to base your prayers. As you will see for yourself, this deep meaning is rare in other fasting and prayer books and therefore, makes this book truly one of a kind. The prayer background will get you fired up each day because it reveals to you why you need to pray, what is at stake and what you need to do to get what you want. The blessing-related topics covered in this prayerbook are straightforward. Everyone needs blessings, therefore, these topics will apply to and benefit everyone. However, for the problem-related topics covered, you will be in one of two groups -- those experiencing the problem or those who are not. If you are not experiencing a particular problem, there are "prevent" or "resist" prayers available to protect you from it. But, if you are actually experiencing a problem covered, there are "reverse" or "defeat" prayers available so you can address it thoroughly. This approach, we believe, makes this book all-encompassing and relevant to everyone. If you go through this program with dedication and faith in your heart, it is not possible for your life to remain the same. God will use His word contained in this book to transform your life for better. You will notice real changes in your thinking, your emotions, your behavior and in your physical and spiritual circumstances. Divine resources which you never knew existed will arise and go to work for you and you will climb up to a new level in Christ. God will also use this book to give you victories over all kinds of battles, so that His name can be glorified in your life. Start the program, stay with it and finish it and you will be blessed, in Jesus' mighty name.
