I bought this Bible 9 years ago. I always had a hard time reading/ understanding most versions of the Bible and therefore didn't pick one up very much. This version of the amplified Bible with Joyce's commentaries, explanations and life points changed my life. I bought a beautiful fabric cover for mine and it is very personal and dear to me. I write in it and store notes in it. It is a living, breathing thing for me. I would be devastated if I ever lost my copy.

Joyce's Everyday Life Bible is such a great study tool, offering such insight and providing facts that put God's word in perspective. It helps to go 'deeper.' I enjoy reading this Bible.

I received the bible today and by looking at it this bible have been used also it's not large print it is small not tiny but small print and it suppose to amplifier it's not its a kvj bible just under the bible she writes her verses of things but the main thing is they send me a used Bible when I paid for a new Bible unless the shipping damaged it either or which ever one it was make sure you pay attention to what your getting.

Love the bible and all the extra information about scripture

Such a great Bible, I love the Amplified version of the Bible, so easy to read and helpful. This version makes me look forward to reading it because Joyce Meyer has such encouragement and great insight into passages. This Bible is so full of advice, stories, encouragement, on every page she has multiple side notes. I'm surprised this Bible isn't 1 million pages long!

This bible is awesome! I love all the insights from Joyce inside, they really enhance your devotional experience when reading. This is my first amplified bible, and all of the extra info you get (meanings of words, etc.) really makes me want to read and study more! And I love that it is hardcover. Love it!

The Kindle version of The Everyday Life Bible is as excellent as the printed version--- with one major flaw! You can go to any book in the bible, but YOU CAN'T PICK A CHAPTER! If they can fix this problem, I will be all smiles.

I have been really using this bible for the last month and really do love how easy it is to read and love the break downs of things. Perfect condition when received.
