I love this coloring book. as a mom I don't get much me time so when my kids are in bed and ive had a stressful day I like to be able to color and why not color words that id love to say to the ones who make me angry at times. id defiantly buy another one for myself or a friend or even as a gag gift. I think everyone could use this once and awhile on our bad days.

I thought it could be better, and the pages don't come out very easy.. Will be looking for better cuss words book

Not at all what I expected...no thought or detailed as I imagined

Gosh darn therapeutic.

Hilarious. Gave these out as x-mas gifts, haha.

Not the best quality pictures. They look very computer generated. Jut not what I was expecting.

Adult Daughter loved it

the book looks so cheap...looks as if someone bound together xerox copies,,,bought for a gift, but returned immediately
