Customer Reviews

Kelly J. Mays has taught writing and literature courses for 25 years at Stanford University (where she earned her Ph.D.), in the Harvard Expository Writing Program, at New Mexico State University, and (since 2001) at the University of Nevada Las Vegas, where she is now an Associate Professor of English. A British literature specialist whose work has appeared in *Victorian Studies*, *Victorian Poetry*, *Critical Inquiry*, and other major scholarly journals, she is currently at work on a book exploring when and why nineteenth-century Britons began to label their age, their literature, and even themselves "Victorian."

I did take the course for college awhile back. This book is very comprehensive and a very good read. It was so much reading so be prepared if you take this college course because you literally have a lot of material to cover. The text was very interesting and very detailed and it also made the class very interesting to attend. I loved the book.

A fine collection of literature

As advertised.

As far as the writing goes, I think this is a very well put together edition of the Norton Introduction to Literature. The writing and format is smooth, easy to read and understand. I've used earlier editions in different classes but I think this one has to be my favorite. Price wise, it's expensive to buy but has a relatively cheap rental price available.

Great quality.

Excellent quality. The item book came in on time too.

This is a book my daughter needed for one of her college courses this past semester! It has a lot of pages and they are like an onion skin type of paper. The book was very helpful to her and all of her classes. I would recommend for others!

This book so great and has a great rental price. The book at my school was so expensive and I'm glad that tht it was on here to rent. Very pleased and happy
