Lots of info for an upcoming trip to the islands.

This book was incredibly helpful before and during my trip! Quick and easy read. Great suggestions, honest and realistic. I was visiting St. Thomas and St. John and had already booked hotels but mostly sought out restaurants and sight seeing suggestions. Also was helpful with researching what

Islands to day trip to. Highly recommend.

very helpful in planning our trip

Amazing, I love Frommer's. They're perfect books to buy before going on vacation.

I could not have survived my trip to the BVI without it. So glad it's small in size so it did not take up much room.

Great books I have several

Looking forward to putting it to use on our next trip. It has all the pertinent information that we need for a bareboat in the BVI's.

From mets is easy to read and informative with their reviews
