When Pete the Cat gets a goldfish, he decides to paint a picture of his new pet. But what will Pete do when everyone wants one of his paintings?

James Dean's art has sold in more than ninety galleries and shops across the United States. He has devoted his paintings to Pete the Cat for fifteen years and has turned his natural love for cats into his life's work. James published his first adult book, The Misadventures of Pete the Cat, a history of his artwork, in 2006. He illustrated his first self-published children's book, Pete the Cat: I Love My White Shoes, in 2008, and the follow-up book, Pete the Cat: Rocking in My School Shoes, in 2011. Pete has such a great attitude about life. He's a super chilled out cat. You forget he's a cat. The kiddo hated reading books til we found Pete. Absolutely hated reading! Now he can't get enough of Pete!

Pete loves painting, but overcommits new commissions of his goldfish picture to his friends. Turns his hobby into work that he doesn't enjoy, while not getting paid, causes stress. Mom has to step in with a solution. This isn't about pets. It's about hating the work that you love and not managing your time and commitments effectively. It's not the book you want to read every night for six weeks if you're overworked and understaffed.

My son loves the Pete the Cat books. I hadn't seen the series prior to seeing them on , but my sons teacher evidently had read them to his Kindergarten class weekly. Overall I love that we can read these books together, some he can read more than I need to - I love the illustrations and the funny story lines. Pete the cat is a hit in our home for sure!

I love this story its very cute how pete gets a pet goldfish and how he learns what he can and cant do with it. This book has helped our children learn to love goldfish and all fish just like another pet and while they know they cant touch fish they are still fun!

My son really likes this book and even drew his own Goldie picture .

Awesome product, thank you!

My preschoolers love any Pete book and this one is no exception. This simple reader is easy for the

children to follow and allowed them to expand the discussion in new directions as we discussed their pets through the ideas in the book.

My granddaughter will devour anything to do with Pete the Cat. Cute story, always enjoyable!
