Customer Reviews

Wow this was a while ago. .. sorry for not sending a review.... play was amazing.... kids had a blast

We've never seen this musical on stage, but my son's school is doing the Junior version and he fell in love with the songs and wants to learn them - that was the reason for ordering this book. The only complaint we have is the omission of one of our favourite songs from the show - "Here on Who" - somehow it was not considered worthy to be selected - it's a great song and hopefully it would be included in a later edition.

Great sheet music with complete accompaniments for the adult version of Seussical the Musical. While not all songs are contained within this collection, most are here and are the primary songs you think of when you think of Seussical.

Returned it. Didn't work at all for instrumental. Only 2 lines per page. Would have required someone

to turn pages.

This is a nice sampler packet, but there are no complete songs. They are all partial songs. It is a nice book to have for auditions, etc..

Great

Hopefully the trend toward restoring Americana's wonderful musical theatre productions to an important part of our culture will strengthen. Who can resist the compassionate views of human-kind written by the icon, Dr. Seuss. ADORABLE

My 5 year old son and I saw this show over the summer and we gave him this soundtrack for his birthday in October. He loves listening to it and remembering what he saw on stage, as do I. And he loves explaining the details to his older brother who did not see the show, but loves the music equally as much. A lively soundtrack that I don't tire of listing too in the car. We all love it.
