Customer Reviews

Jerry B. Jenkins, former vice president for publishing at Moody Bible Institute of Chicago and currently a member of the board of trustees, is the author of more than 175 books, including the best-selling Left Behind series.

In this one-hour narration of his own novella, Jerry Jenkins portrays the life of Jesus as told by his father, Joseph. Jenkins narrates with such intensity that it's easy to feel the excitement of the story as it progresses. One can also sense the incredible love between father and son. Beginning with Jesus's birth, through His childhood, manhood, and approaching crucifixion, Jesus and Joseph have many father-son conversations. This imaginative story relates these discussions, beginning with Joseph talking to the infant Jesus and ending with Jesus talking to Joseph when His father is on his deathbed. This remarkable perspective of a familiar story is well done and worth the hour of listening. N.L. Â© AudioFile 2006, Portland, Maine-- Copyright Â© AudioFile, Portland, Maine

Wonderful story about Joseph. It could have been that way. How important Joseph was to Jesus- as an earthly father. We rarely think of his impact on Jesus. I loved it.

I read this every year at Christmas time. I cry everytime. To imagine the birth and life of our savior through his father's eyes is eye opening. Wonderful job the author does bringing Joseph's thoughts and feelings to life. Fiction but probably more fact than we could believe.

Jerry Jenkins has taken the familiar story of Jesus and His earthly father Joseph and made it come to life in this fictionalized account that is based on New Testament scripture. One begins to understand what Jesus' early years might have been like and how the Son of God was also the Son of man and how important the guidance of the good and humble Joseph was in enabling Jesus to become the Man He became. It is a touching and revealing portrait of the depth of the relationship they might have shared. This is a short story but powerful none the less.

Glad I was on a weekend vacation when I started reading this. I couldn't put it down, read it in over an hour. Love the perspective it takes, makes you see things from a different angle. Bless Mary and Joseph.

This book is totally awesome; I've passed it around the whole church to read and had to buy several more copies as it would disappear along the route. In a nutshell, it is about Joseph tending to baby Jesus as Mary is resting, and then it is about Jesus visiting Joseph as he is resting on his death bed. What a unique concept in a story. I get goosebumps just thinking about it and am thinking of reading it for the 4th time. Don't borrow it, buy it!

Excellent biography fiction of Joseph, husband of Mary, and his possible interaction with Jesus.

My 5-star rating for the item in question is actually for the seller, Hippo Books. The cover of the used book I ordered from them was badly torn and not usable as the gift I intended it to be. I contacted them via .com and they responded immediately. They didn't have a replacement book for me but they refunded my money the next day - and told me to keep the book. There was absolutely no hassle at all. [Previous orders from Hippo books have always been as described and I've been pleased each time.]

Another wonderful book recommended by church friends. A must read.
