Ren and Helen Davis, a husband-and-wife team, have offered guided walking tours of Atlanta to numerous groups and have written hundreds of magazine and newspaper articles for such publications as Atlanta Magazine, Where Georgia, and Appalachian Trailway News. In addition to this guide, the couple has been contributing authors for the Insight Guide to Atlanta and Savannah, Fodor's Pocket Atlanta and Fodor's Cityguide Atlanta. Most recently, they collaborated in writing about and photographing the hikes profiled in Best Hikes Near Atlanta

(FalconGuides, April 2009). They live in Atlanta.

The book provides trail routes & recommended directions on each trail to view the best possible scenery within the area. Local parks and preserves have been included in this easy-to-carry pocket sized guide. In addition, several small (personal) notes have been included by the author regarding off-topic things which are seen along a few trails, and a little background/history about each site is provided. Great book!

This is a great book, but a bit small. It's perfect if you're looking for a book that you can take with you on the hike. Because of small size, somewhat limited on details, but generally great.

Nice compact size fits easily in front pocket of pack or bag, or in back pocket of men's pants. The easy to read maps and trail guides made it very user friendly.

Nice book listing many of the local hikes. This is a small book and easy to slip in my backpack. A good read for beginner hikers.
