## Customer Reviews

Arrived as expected

Thank you, I have enjoyed the book greatly. In addition, I revised the book in less than a week. Also, it was like new.:D

Very convenient and fast! Appreciate it mucho!

Collegebooksdirect illegally covered portions of the book that stated it was an "Instructors Edition" with duct tape and placed a bar code over the "Not For Sale" bar code on the back of the book. I contacted both .com and Collegebooksdirect to address this issue with no solution from either company. Instead, Collegebooksdirect stated that this is common practice for them (which clearly violates .com's selling rules and guidelines) and that I should have contacted them earlier. I stated to both the companies that I was under the assumption that the book was a "Student Edition" and did not have any idea that under the tape concealed the listing "Instructors Edition". I did not receive any refund, and both companies refuse to address the situation. BE AWARE! This company sells products that are illegal to transfer!!!!

Was one edition behind the one I needed but it sufficed.

Does its job.

my took classes in marketing and she said these book help her a great deal in how to sell stuff
