"I LOVE to give people The Jesus Storybook Bible because from the very first chapter it paints a powerful picture of God's epic love for each one of us. Sally Lloyd-Jones has a unique way of inviting the reader, young or old, to dive in and discover for themselves the truth and hope of the greatest story ever told."

"Sharing the Gospel with The Jesus Storybook Bible has been one of the greatest privileges of my life."
— Ann Voskamp (Ann Voskamp)
"I would urge not just families with young children to get this book, but every Christian—from pew warmers, to ministry leaders, seminarians and even

theologians! Sally Lloyd-Jones has captured the heart of what it means to find Christ in all the scriptures, and has made clear even to little children that all God's revelation has been about Jesus from the beginning – a truth not all that commonly recognized even among the very learned. – Dr. Timothy Keller, NYC (Dr. Timothy Keller) “The Jesus Storybook Bible is as theological as it is charming – a very grown up children's Bible – Christianity Today (Christianity Today) “The Jesus Storybook Bible is unlike any other storybook. True, that's to be expected when you combine the mesmerizing illustrations of Jago and the award-winning writing of Sally Lloyd-Jones, a Brit with an uncanny knack for storytelling. – More to Life Magazine (More to Life Magazine)

The Jesus Storybook Bible (Keepsake Gift Edition) is The Jesus Storybook Bible wrapped up in a beautiful new cover. With the new The Jesus Storybook Bible (Keepsake Gift Edition), there are just a few changes. The cover is a beautiful blue cloth-like textured hardcover with gold foil accents. The book is also bigger and offers larger page sizes (about 1 inch both in height and in width). The illustrations and text are all just scaled up (which means it offers larger illustrations and a larger font size), which is great for reading to a family and/or group. This edition remains the same thickness/page count as the previous editions. Our family started out with The Jesus Storybook Bible in the Deluxe Edition (with CDs) - and we have loved it! We keep the CDs in the car at all times and have loved reading the book together. If you have not yet experienced The Jesus Storybook Bible - it is fabulous! It is a storybook Bible, so you need to keep in mind that this is written as a "story" and the author may take some liberties in descriptions of events, etc. What I love is that every story finishes with a tie back to Jesus. Even as an adult, I have learned from The Jesus Storybook Bible,

and I love that my kids have it as part of their foundation. I would love to see the larger book size of The Jesus Storybook Bible (Keepsake Gift Edition) paired with the audio CDs as a set - that would be the best combination, in my opinion. We bought this Bible for our daughter's first Easter and couldn't be happier. We have purchased this book (different edition) for the kids in our lives for years. It does a great job at 1. Bible orthodoxy 2. Maintaining the theme of Christ through the old and new testaments and 3. Compassionately telling the stories in a truthful way geared toward children. This gift edition is beautiful! The color is great, suitable for any age or gender. Ribbon bookmark and, thankfully for us, no dust jacket to worry about for little hands. Really looking forward to sharing this with our daughter for years to come!

These were perfect for our kids in the AWANA program at church. We were given a donation to buy them something nice and worthwhile, and this fits the criteria! Not only is the outside of the bible beautiful, but the inside has lots of art and is made for easy reading (and beginner-readers). All the younger kids who got one were so excited to get these bibles and couldn't believe we bought them something so nice. For this price you can't do any better. When I was looking at a local christian bookstore they were twice as much as !

This book was purchased for a baptism gift. It has a beautiful cover and it is a full size book. easy to wrap as is since it is encased in a see-through protective covering. Beautiful gift!

Beautifully written and put together - this is a "must have" for children!

Wonderfully written and I love how all of the stories connect back to Jesus. It really puts it all into perspective. The drawings are really colorful and my daughter and I love it!

Those who want to get an overview of the whole gospel story and how the story of the Bible is really the story of Jesus will also love this Bible. The artwork is colorful and well done. A great way to introduce the Bible to children in a simplified and clear manner. The stories are short and probably take about 5 minutes to read. *I was sent the Jesus Storybook Bible in exchange for my review and honest opinions. As always, opinions are my own.

perfect book for my grands
