Druid Power: Celtic Faerie Craft & Elemental Magic

Synopsis

Call forth dragons and feel the ancient songs of the Celts stirring in your blood. Access the deep wisdom of the Druidic orders and reclaim the Elemental gifts of the Otherworld. Become a spiritual warrior of the Celtic Craft-a Dragon-Rider. The dragon is a symbolic representation of the alchemist's or magician's works of power. *Druid Power* presents techniques for self-transformation through Celtic faerie craft and Elemental magic. Rich with mythological information and psychological insight, this innovative guide bridges ancient Celtic Druidic Tradition with modern transpersonal psychology. Reawaken your connection to the magick of the natural world through traditional ceremonies, guided journeys, and unique exercises that lead to a direct connection with the Elemental forces of Nature. Experience the strength and purity of fire, the emotional alchemy of water, the profound reality of earth, the awareness of air, and the transcendent mystery of spirit. Enter the realm of myth where magick and the mundane blend. *Druid Power* is your guide to finding your way to the Otherworld and back again-rich, wiser, healed, and whole.

Customer Reviews

Amber Wolfe is a master-level educator and psychotherapist in private practice. She follows an American Shamanic path, using the wisdoms found in the Celtic forms of Craft, Church, and myth that are her heritage. She also honors the sacred teachings of Native American medicine elders who have shared their knowledge of the nature of this land. Amber Wolfe calls herself a Ban Drui, a term that has several meanings. Among them are Wise Woman, Druidess, White Oak Woman, and

(as described by William Butler Yeats) a "Faerie Doctor." These titles represent her style as a writer, teacher, and therapist, whose work emphasizes the magick qualities of self-transformation and personal evolution.

gift they love it

Love it

It came in the condition it was described and I can't wait to read it.

Took some time to arrive but was worth the wait great book for the price.

DRUID POWER and ELEMENTAL MAGIC are the same book. Shame on you for trying to cheat people. This discredits your personal ethics and makes you look like awful. How do you expect people to believe what you write when you pull tricks like this? I just bought both books in good faith thinking one would add illumination to the other. Sick....sick....sick.

No matter what path you have chosen I would recommend this book for every practitioner. love it love it love it

This book is very misleading.. I bought it on a whim hoping that it would indeed help expand my knowledge of Fairy Craft and Elemental power.. instead what I got was a book that is very drawn out and really does not place much focus on fairy craft... IF you are looking at this for either fairy craft, druidry, or elemental magick.. navigate to another book now.. this one is just not worth it.. Specially seeing as there are far more better works on the topic..

I've been reading this book and they make any references Christianity I know that will have nothing to do with a real religion this is supposed to be about the true faith of the Celtic people we should be about your wedding ability not a push to accept Christianity in any form
